## PROFESSIONAL EXPERIENCE

### **New England Law | Boston**

*Director of the Law Library (2019 – present)*

Provide leadership and vision for the law library, considering both the future of legal education and the current needs of the New England community. Manage all administrative and operational activities for the library. Responsible for strategic planning, budgeting, hiring, management and development of library staff, as well as the oversight of law library facilities and technology. Ensure that New England Law | Boston has a dynamic, responsive, and service-oriented library that maintains and exceeds the standards of the ABA, AALS, and AALL.

*Interim Director of Instructional Technology (March 2021 – present)*

Lead a new educational technology department as an offshoot of work transitioning faculty to Canvas as an LMS for remote learning during the pandemic. The Instructional Technology department focuses on best practices in implementation and use of technology for learning and the synergy of technology and pedagogy to enhance legal education. Instructional Technology provides continuing support for current technologies, and investigates, pilots, evaluates, and implements new technologies in cooperation with faculty, including integrations with current systems.
